

Home Learning Grid Spring Term 1

Try to make 100 points by Friday 2nd February.

If you like, you can do more than 100 points!

Ideas for some of the activities
will be on our Class page on the website.

Good luck!

Points	English	Maths	Topic	RE
5	Choose a location e.g. garden, park, bedroom. Write down what you can see, hear and smell.	Write a list of things longer than your hand!	Write a list of things that can be recycled. and bring some in.,	An idea of your own 
10	Read at home at least 4 times every week. Compulsory	Draw around shapes of your choice. Find different ways of colouring 1/2 and 1/4	Design a 'poster encouraging people to recycle their rubbish.	Write a prayer.
20	Draw a story setting and describe it using interesting 'wow' words (adjectives)!	Make a tally chart of the transport you can spot going past your house.	An idea of your own. 	Draw a picture explaining the story of the Good Samaritan.
30	Learn a poem by heart and recite it to the class. You will be rewarded with a gem!	Practice your 2,5 and 10 times tables. Compulsory	Create a fact file about your favourite toy.	Create your own prayer space to use at home and take a photo.
40	Write a story about a Caterpillar Remember your capital letters, full stops, connectives and 'wow' words!	Find 1/2 and 1/4 of amounts. E.g. 1/2 of 20 is 10 1/4 of 20 is 5	Make a toy.	A parable is a story with a message. Write your own story with a message.
