

# Home Learning Grid Spring Term 1

Try to make 100 points by Friday 2nd February.

If you like, you can do more than 100 points!

Ideas for some of the activities  
will be on our Class page on the website.

Good luck!

Year 2 Points	English	Maths	Topic	RE
5	Choose a location e.g. garden, park, bedroom.  Write down what you can see, hear and smell.	Make coin rubbings to recognise coins.	Write a list of man-made and natural materials.	An idea of your own 
10	<b>Read at home at least 4 times every week.</b>  <b>Compulsory</b>	Draw around shapes of your choice.  Find different ways of colouring 1/2, 1/4 and 3/4	Design a 'poster encouraging people to recycle their rubbish.	Write a morning prayer to read in class.
20	Magpie 5 words from your reading book and write their meaning.	Play shops and record a number sentence to show the change you are given.	An idea of your own.  	Draw a picture explaining the story of the Good Samaritan.
30	Imagine you are an explorer!  Write a postcard from where you are exploring. What can you see, hear, smell, touch?	<b>Practice your 2, 5 and 10 times tables.</b>  <b>Compulsory</b>	Create a fact file about your favourite toy.	Create your own prayer space to use at home and take a photo.
40	Write an information text about a Victorian toy.  Include a picture and an interesting fact.	Find 1/2 and 1/4 of amounts.  E.g. 1/2 of 20 is 10 1/4 of 20 is 5	Make a toy.	A parable is a story with a message.  Write your own story with a message.
