

# Big Write - Description

On Friday, we will be completing a big write. You will write a **description** of what is happening in this picture. **It is not a story.** To be prepared for this, please talk to people at home about these questions.

- What is happening in the image?
- What do the soldiers look like?
- What can they hear/see/feel?
  - What are they thinking?

Think about how you will include:

- Adjectives
  - Adverbs
- Expanded noun phrases
- Description of what can be heard/seen/felt
  - Accurate punctuation
