

# Home Learning Grid Year 2 - Spring Term 2

Try to make 100 points by Friday 23rd March.  
If you like, you can do more than 100 points!

Good luck!

## Year 2 - Spring 2 Homework

Complete as many homework tasks as possible to make a total of 100 points. All homework to be in by **Friday 23rd March**

Points	English	Maths	Topic	RE
5	Record yourself reading a story aloud. Can you read fluently? How will you make it sound interesting?	Measure the capacity of 5 containers in millilitres (ml).	Keep a weather diary for a week! Explain how the weather changed, noting similarities and differences.	An idea of your own 
10	Read at home at least 4 times every week. <b>Compulsory</b>	Investigation How many ways can you make £1 using coins.	Write instructions for making a rain gauge.	Write a morning prayer to use in class.
20	Write a comprehension task for your favourite book.	Learn your 2,3, 5 and 10 times tables.	An idea of your own. 	Make new friendships Play with someone that you don't usually play with either in the playground or at home. Write in your homework book who you played with and how it made you feel.
30	Write 5 sentences in past and present tense.	Measure the length of 6 things in centimetres. Order them from smallest to largest. Compare them using the <, > and =. Find the difference between 2 of them.	Measure the length and position of a shadow throughout the day. What do you notice? How does the shadow change?	What could you do for someone else at home? Make a Lent calendar showing how you can perform an act of kindness everyday.
40	Write a story of your choice!	Use your times table facts to identify division facts.	Research Task—Find out about Walter Tull,	Perform one kind act for someone who doesn't have as much as you. This could be donating unwanted food to a food bank, clothes / toys books to a charity shop.  (Photo evidence)
