LEARNING**

**Healthy week** - Thank you to Mrs Watters for leading the organisation of our Healthy Week. It has been wonderful to see children, parents and staff coming together to learn about healthy living.

What a fantastic week we have had as a school during Healthy Week! Thank you to all involved. The five challenges we have been working on are: being active, trying something new, drinking plenty, having breakfast and eating our 5-a-day.

We have experienced a range of activities over the course of the week and wanted to share a few of those with families.

Jade Faulkner – Olympian Assembly and Workshops  
The whole school attended a very special assembly on Wednesday where rhythmic gymnast Jade Faulkner gave us a demonstration and told us about her journey to London 2012. How inspiring! Foundation even made their own ribbons!

In addition to our assembly, Jade also spent time with some classes: showing them some moves, discussing life as an Olympian and also leading a healthy eating quiz.

KS2 Body Coach Joint Workouts

Years 3 and 6, and then Years 4 and 5 completed the Body Coach school workout challenge this week.

KS1 Teeth on Tour

Oak, Maple and Holly focused on having good dental hygiene and how to brush their teeth properly. They got to handle resources such as: the jar of tar, a giant toothbrush and a large-scale model of a mouth.

Healthy Lunches

It was lovely to see so many parents in school to eat lunch. We have had extremely positive feedback from this and want to thank CaterEd, along with our kitchen staff, for

delivering meals to even more people than usual. Thank you to our Year 6 children who helped run the 'What's in this healthy pudding?' quiz each day.

KS2 Healthy Smoothies

Thank you to the staff who supported some of our KS2 classes with smoothie making. Karen, our cook, allowed us in to her kitchen to make this an even more special event.

"So easy and so yummy!"

Each class have also completed their own activities. Year 3 have been making models of fruits, Year 5 have completed more workouts and Year 6 have been creating outdoor games to stimulate more physical activity at breaks and lunches.

Holly class also tried yoga and making their own sandwiches.

Science Coordinator

**Bell boating** - Year 4 enjoyed bell boating at the beginning of the week. They would have liked to have stayed all day! Well done to them for trying a new challenge and behaving so well on a school trip.

**School Parliament** - Mrs Confue and I met with the School Parliament this week. They shared their wonderful ideas for the back playground; their suggestions for how to make our school even better than it already is; and their opinions on many aspects of school life. They were very excited to hear that they will be meeting the Lord Mayor during our visit to the Council Chambers in July.

**Junior Ten Tors** - Good luck to our Junior Ten Tors team! They have been prepared well for this wonderful experience by Mr Cotter, Mr Driscoll and Mrs King.

**Plymouth University Art exhibition** - Year 3 were fortunate to visit the Art Exhibition this week. Thank you to Fintan for writing this informative report.

## Maths masterclass –

On Tuesday 12th June, six Year 6 children - Alan, Samarth, Rafal, Bede, Freya and Gemma - went to Plymouth University for a maths masterclass.

*We completed all sorts of intriguing activities directed by a wonderful lady called Jenny. These ranged from reasoning puzzles to programming. We had so much fun.*

By Rafal.

**Brickfields** - Well done to our Brickfields team. Mr Driscoll reported that their behaviour was exemplary. We are very proud of them for representing Holy Cross so well. Well done to Lara for coming second in the vortex throw. Alan, from year 6, has written this short report for you all:

*'On Wednesday 14th June 2017, Year 6 attended a sporting day at Brickfields Athletic Arena. We participated in various fun events like: the high jump, vortex throw, long jump and running races. We came 4th and 5th in most events. Unfortunately, we did not make it through to the semi-finals but we all thoroughly enjoyed the day.'*

**Talent Quest** - The end of the year is fast approaching, and excitement is building in anticipation of the annual Holy Cross Talent Quest! The Talent Quest will be held this year on Tuesday 18th July at 1.30. You are warmly invited to join us in the school hall for this special event.

**Spelling** – All children should now be bringing home a set of five words each day Monday – Thursday. They are being tested on five words each day in class and then tested on all 20 each Monday. Please speak to your child's class teacher if your child is not bringing sets of words home. Please see me if you have any further concerns.
