Autumn 2

Points	English	Maths	RE & Topic	Creative/Arts
10	Go on Literacy Planet for at least 10 minutes 7 times.	Complete the 'Check your change' worksheet.	Complete the 'Where Did it Come From?' worksheet. Try to fill out as many of the boxes as you can.	Design a postcard from a country of your choosing.
15	Read a book that is set in another country and then complete a book review worksheet on it. The book doesn't have to be very long. <i>Compulsory.</i>	Complete these calculations using the formal method: 1. 164×8 2. 257×3 3. 921×4 4. 678×9	Complete the 'My Links with the World' worksheet. Try and find as many as you can.	Create a tropical jungle picture. Use a black pen to draw overlapping trunks and branches and jungle animals hiding amongst them. Add detailed patterns and vivid colours to the foreground to help camouflage the animals.
20	Plan a visit to a tropical location. What could someone do and see there? How would they need to prepare? How would they travel to the tropics and then between locations?	Draw or paint your own fraction wall. Use the sheet on the home learning section of the website for support if you would like to.	Complete at least 5 of the random acts of kindness activities and write about what you have done. Think about how it made you feel to complete them. What is the impact of these random acts of kindness?	Draw/paint/make a globe. Label the countries that you have a link with.
25	Produce a persuasive leaflet to go to a place or event of your choosing. It needs to be written and presented neatly. It should include some images, rhetorical questions, boastful language, a slogan, imperative verbs and personal appeal.	Create a simple cartoon strip of your activities at different times of the day. Underneath, create a second cartoon strip showing what a child living in a different time zone might be doing, taking into account the time difference.	Write an information text about your favourite country in the world. Where is it? Why is it your favourite place? What is the capital city? How many people live there?	Own choice—UP TO 30 Points. The value of the points will be decided on by the class teacher.

As with all pieces of work, we expect your presentation to be good and a real effort to have been made.
